

PROGRAM GRANT GUIDELINES

OVERVIEW

Impact Austin is a community of women that seeks to transform lives in the Austin area through high-impact and life-long giving. Impact Austin combines annual donations from members and gives multiple high-impact grants each June to local, worthy causes selected by our members. We want our funds to make a visible difference in our community.

We award high impact program grants in three focus areas: community, education, and health and well-being. The members of Impact Austin choose the grant recipients who become our new Community Partners. Since 2015, Impact Austin has also awarded catalyst grants, to help strengthen and grow nonprofit organizations. Check our website (www.impactaustin.org/) for additional information on the catalyst grant.

Impact Austin's funding cycle runs from July 1st of one year to June 30th of the next year. In each funding year, funds are collected through December, proposals are solicited and evaluated from January through May, and grants are awarded in June. The exact grant amount in any given funding year is based on membership and will be announced after December 31st.

REVIEW PROCESS

Impact Austin has a four-part Program Grant Application process:

1. **Letter of Inquiry:** Each applicant must submit a Letter of Inquiry online via our grants management system. Impact Austin Grant Review Committee members will evaluate all of the submitted Letters of Inquiry and invite certain organizations to complete a Grant Application.

2. **Grant Application:** Each organization invited to complete an application must submit the Grant Application online via Impact Austin's grant management system by the submission deadline. You will also be asked to submit various documents to accompany the form. Impact Austin Grant Review Committee members will evaluate all Grant Applications and select semifinalists to participate in Site Visits.

3. **Site Visit:** Impact Austin will conduct a site visit with three to four semifinalists in each Focus Area. Site visits provide an opportunity for Impact Austin members to meet the people behind the organization requesting funding. Site visits include one-on-one interviews with selected representatives from the organization. Following the site visit, Impact Austin Grant Review Committee members will select two finalists from each Focus Area.

4. **Annual Meeting:** Information about each finalist will be provided to all of Impact Austin's members. In addition, representatives from each of the finalists will be invited to attend Impact Austin's annual meeting to provide a five-minute presentation on their organization and the proposed program or project. At the meeting, Impact Austin's members will then vote on the finalist from each focus area, with each member casting one vote and the majority deciding the Community Partners.

Impact Austin reserves the right to reject a Letter of Inquiry or a Grant Application for any reason; including a missed deadline or missing required documentation. For more detailed instructions, see the LOI Worksheet and Program Grant Application Overview documents on our website at www.impactaustin.org/.

Terms of Grant: Prior to receiving the grant money, the grant recipient must execute Impact Austin's Terms of Grant. A sample of the Terms of Grant can be found on our website at www.impactaustin.org/.

Evaluations: Impact Austin requires that our Community Partners submit periodic progress reports. Impact Austin emphasizes the use of evaluation to measure program progress and outcomes, promote learning from experience, improve program performance and encourage our Community Partners to build effective self-evaluation

plans into their projects. Copies of the interim and final report forms can be found on our website at www.impactaustin.org/.
