

CATALYST GRANT APPLICATION OVERVIEW

Thank you for your interest in applying for a catalyst grant from Impact Austin.

The Impact Austin catalyst grant has more stringent eligibility requirements than the program grant. These requirements are described in the Catalyst Grant Guidelines at www.impactaustin.org.

Note that a nonprofit organization cannot apply for both a program grant and a catalyst grant in the same year. In addition, an organization that has received a grant from Impact Austin may not reapply in the following two years.

For those organizations who wish to see what will be covered in the Impact Austin Catalyst Grant Application Form, this document provides an overview of the questions that are asked and the types of information you will be expected to provide. You can use this to assess your readiness to participate in Impact Austin's catalyst grant application process and to begin collecting information should you anticipate receiving an invitation.

For a complete description of our catalyst grant guidelines and process, please review the document "Catalyst Grant Guidelines" which is available on our website at www.impactaustin.org/.

By submitting a Catalyst Grant Application, you are agreeing that you have read and understand the sample Terms of Grant and the Interim and Final Report Templates, which are available on Impact Austin's website at www.impactaustin.org. Further, should your organization be selected to receive an Impact Austin grant, you will be required to execute a Terms of Grant document similar to the sample, and submit interim reports and a final report similar to those templates.

If you have questions regarding the form or the process, please email us at grants@impactaustin.org.
