Independent Auditor's Report

To the Board of Directors
of Impact Austin Foundation

I have audited the accompanying statements of financial position of Impact Austin Foundation (a nonprofit corporation) as of June 30, 2010 and 2009, and the related statements of activities and cash flows for the years then ended. These financial statements are the responsibility of the Organization's management. My responsibility is to express an opinion on these financial statements based on my audits.

I conducted my audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audits provide a reasonable basis for my opinion.

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Impact Austin Foundation as of June 30, 2010 and 2009, and the changes in its net assets and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

Impact Austin Foundation

Notes to Financial Statements

NOTE A – Nature of Activities and Significant Accounting Policies

Nature of Activities

Impact Austin Foundation (the Organization) is a women's philanthropic organization that is a progressive leader bringing new resources to transform lives in the greater Austin, Texas community and making philanthropy accessible. Through high-impact grant making, the Organization engages, develops and inspires women to effect positive change and lifelong giving. The Organization was formed and began operations in 2003.

Program Activities

High Impact Grants from Women

The Organization's primary program involves combining annual donations from women to fund grants of \$100,000 or more. The women donors, predominantly from the Austin, Texas area, become members of the Organization each year by donating \$1,000. Committees of members evaluate grant proposals from Austin area nonprofits, and recommend a slate of finalists to the membership. At an annual meeting each June, the membership meets representatives of the finalists and votes for grantees. Through this collective grant-making process, Impact Austin is working to create a seasoned pool of educated, effective women donors in the Austin area.

Girls Giving Grants

Girls Giving Grants helps young women (ages 12 to 18) learn the power of collective giving and grant-making by combining individual donations of \$100 and working together to review proposals and select grantees.

Basis of Presentation

Financial statement presentation follows the recommendations of the Financial Accounting Standards Board in its Accounting Standards Codification (ASC) 958, *Not-for-Profit Entities*. Under ASC 958, the Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

Contributions

Under ASC 958, contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted net assets depending on the absence or existence and nature of any donor restrictions.

Contributions are recognized when the donor makes a promise to give that is, in substance, unconditional. These are reflected as contributions receivable. Contributions that are restricted by the donor are reported as increases in temporarily or permanently restricted net assets depending on the nature of the restrictions. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets.

NOTE A – Nature of Activities and Significant Accounting Policies - Continued

Donated Services

Donated services are recognized as contributions in accordance with ASC 958, if the services received (1) create or enhance non-financial assets or (2) require specialized skills that are provided by individuals possessing those skills and would otherwise be purchased if not provided by donations. The donated services which meet criteria for recognition are recorded at their fair values in the period received.

Use of Estimates

The process of preparing financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Income Taxes

The Organization is a Texas nonprofit corporation exempt from federal income tax under Section 501(a) of the Internal Revenue Code and is a 501(c) (3) organization.

Cash and Equivalents

For purposes of the statement of cash flows, the Organization considers all highly liquid investments available for current use to be cash equivalents.

Functional Expenses

The costs of providing the program services and supporting services have been summarized on a functional basis in the statement of activities. The expenses are directly identified with the program or supporting service to which they relate and are charged accordingly.

Financial Instruments

The Organization's financial instruments consist of certificates of deposit, accounts receivable, accounts payable and grants payable. The carrying amounts of financial instruments approximate fair value.

NOTE B – Contributions Receivable

The Organization receives unconditional promises to give from its membership. Membership contributions receivable are made annually, and are due by December 31 of the ensuing fiscal year. Beyond Impact contributions receivable are multi-year commitments that were made in fiscal year 2008, with the final installments due in fiscal year 2011. Beyond Impact contributions receivable are discounted and reflected at the net present value of their estimated future cash flows. The discount is computed using a risk-free interest rate of 4.5%, which was the rate applicable to the year in which the promises were received.
